8. You may not put anything in your cart after time expires.
9. A committee member may help by pushing your second cart to the checkout.
10. You may fill your cart as full as you wish and use all areas of the cart.
11. If something falls out of the cart after time has expired, you may not put it back into your cart.
12. Committee members will be stationed throughout the store to assure safety. They may not help or advise you.

### **Tips**

1. Remember that your freezer and refrigerator will only hold so much. Be sure to know how you will store your shopping spree goods.
2. Be sure to visit the store ahead of time to know what you want to put into your cart.
3. You will be asked where you would like your second shopping cart to be placed in the store. Please have an idea of where you will want it.
4. Be aware that there will be shoppers in the store. Be considerate of them. We do not want any injuries.
5. Although we are not limiting produce, be aware that it does not have a long shelf life. Don't take more than you can use within a week.
6. Canned goods and boxed products have a long shelf life.
7. Don't put squishable items such as produce, bread, or chips, on the bottom of your cart.
8. Large items will take up a lot of room in your cart. Consider this when planning your shopping.
9. Plan to have a car that will carry your items home and help to unload when you get there.
