

## Blizzard Bag #2-English II/ CP English II (Miss Lester)

1. Log on to **Study Sync App** on your chromebook. Remember, you can log on to this app without having to have Internet.
2. Click on **First Read: “Catch the Moon.”** The short story “Catch the Moon” by Judith Cofer Ortiz tells the story of a troubled Latino boy, struggling in the years after his mother’s death, and the powerful influence a young girl has on him.
3. While reading, **highlight** the following:
  - a. **Highlight** the name of the main character. Also **highlight key words and phrases** that describe him or actions that reveal something about his character. What is he like at the beginning of the story? Does he change over the course of the story? How? **Then use the annotation tool to write a brief description of the kind of person he is and how he does or does not change.**
  - b. **Highlight the key details** and events in the story, and make annotations about how they explain or affect the main conflict between Luis and his father.
  - c. **Highlight** at least one place in the story where you wonder if Luis is going to get into more trouble. Use the annotation tool to predict what will happen to Luis at paragraph 34. Will he get into more trouble?
4. Once you have finished reading, complete the **Reading Comprehension Questions** (multiple choice) and complete the **Think Questions**.
5. **SUBMIT YOUR ANSWERS!**
6. **This assignment will be due by Friday, February 2<sup>nd</sup>!**
