

-You should already have a sign in for Newsela but the steps are below if you didn't complete them already.

-First you must join the classroom on Newsela. Use the address below.

<https://newsela.com/quickjoin/#/YGUUJY>

-After signing into Newsela and joining the ag classes, you will then click on the button in the top bar called "Binder". Your assignments are in the binder.

-You only have to do 1 article per blizzard bag day.

-Second blizzard bag day will be the article on "How Things Work: Solar Cells".

- You must read the article, then push open activities in the upper right hand corner. Then complete the quiz and writing activities for that article.
