Answer questions 1-5 in the Lesson 2 Review at the end of the lesson. You do not need to complete #6 on the review.

### "The Men Who Built America"

#### Biographical Sketch #1

#### Cornelius Vanderbilt

Directions: Construct a biographical sketch of the person listed above. Be sure to cite all appropriate sources in your biographical sketch. Include the following to receive full credit:

Date of Birth:

Date of Death:

Where was this person born?

Which industry (Industries) was this person best associated?

Which business ventures was this person involved in during their early career?

How did this person make their fortune?

What significant facts did you uncover in your research of this person? (At least three, bullet points are fine)

What type of reputation did this person earn through their business practices? (Was the person well respected? How did the public or government view their company?)

What impact did their company have on the United States?

Was the person a philanthropist? (If so, how was their money used?)

(History.com and Biography.com are both good sources to use for your research)
