

## **ULES Kindergarten Snow Day Lesson Plans**

Choose 3 of the following options. For your child to receive credit for the activities, please make a list of completed activities, sign, and return it to school within 2 weeks to confirm completion. If you do not have internet/computer access at home, paper options are available below. Thank you!

### **Day 1**

#### **Option #1**

i-Ready Lessons

Go to <https://login.i-ready.com/>

- Log in to your child's account by using the following information
  - username: This is your child's first and last initial and their SIS number. For example, if John Smith's SIS# is 54321, his username is *js54321*
  - password: **ules12**
- Complete at least 2 Reading Lessons and 2 Math Lessons
- If a "Growth Check" appears, your child must complete this first. Please allow your child to complete this independently. It occasionally gives difficult questions, but the assessment is adaptive and will self-adjust to the appropriate level when your child misses questions. Therefore, if you help, it may adapt the lessons to a level that is too high for your child.

#### **Option #2**

Go to [www.starfall.com](http://www.starfall.com)

- Click on "ABCs" to review the letters and sounds from the back of the green homework folder.
- Click on "Learn to Read" and complete the activities in Rows 1 & 2.

#### **Option #3**

Review the information from the back of the green homework folder. Some ideas for activities include:

- Make and use flash cards to practice sight words.
- Practice counting to 100 by 10s and 1s.
- Use buttons, pennies, or other small objects to practice counting and comparing groups of objects
- Play word games together to practice skills such as rhyming words, beginning, ending, and middle sounds,
- Be creative and have fun practicing your skills!!

#### **Option #4**

Review and read previous homework books (i.e. *My Oo Book*, *Animals in Nature*, etc.) and Phonics Words Lists

#### **Option #5**

Practice writing letters, numbers, and sight words to practice handwriting, and practice writing complete sentences using our sight words. Practice writing and sounding out 3-letter words using the phonics letters we've studied so far (i.e. *log*, *hat*, *pin*, etc.)
