

Video and Sound - Mrs. Galownia

Day 1

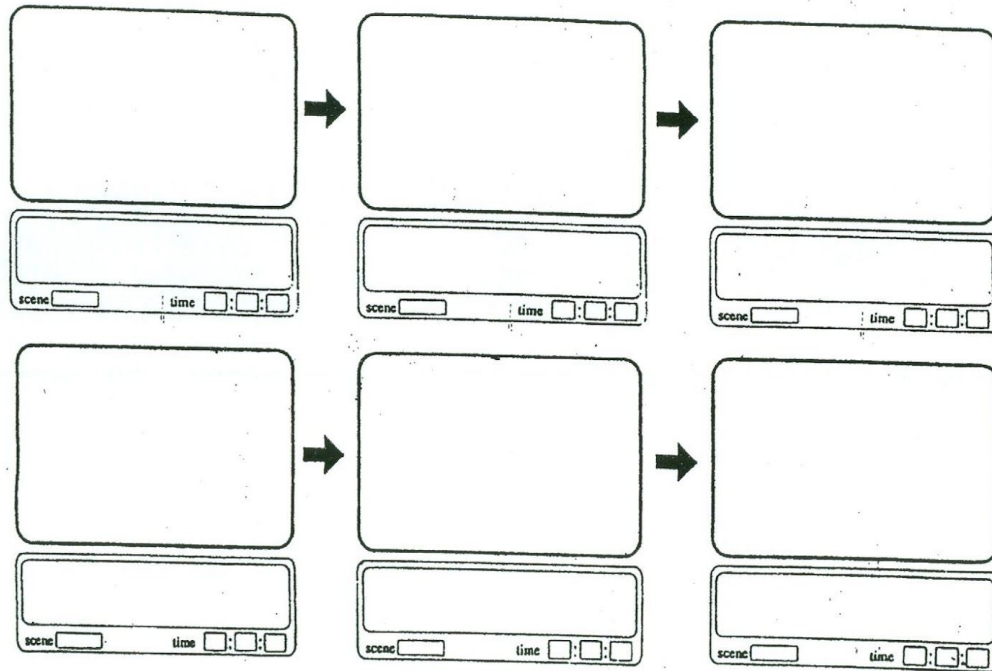

Create a storyboard (must use all 12 scenes -- you can use more) for a 30 commercial promoting Union Local Schools. May include such (but not limited to) the following information:

- School website
- School phone numbers
- Different sports, clubs or classes
- Any other pertinent and positive information to promote the school

Storyboards

The storyboard template consists of two rows of three panels each. Each panel is a rounded rectangle with a smaller rectangle below it. The smaller rectangles contain the labels 'scene' and 'time' followed by three small boxes for digits. Arrows point from the first panel to the second, and from the second to the third in each row.

Storyboards

Enjoy the day!
