Dear Parents,

The Union Local School District has made arrangements with Guarantee Trust Life to provide student accident insurance for those wishing to purchase coverage this year. Please note the coverage as shown on the application, which is posted on the school website.

Please note that the student applications will be available on our website, www.ulschools.com. Complete the application and check the coverage boxes which you may desire. Tear off and keep the rest of the application, as it shows not only the coverage but the exclusions and limitations of the policy.

Mail applications directly to Student Protective Agency, 300 Coshocton Avenue, Mount Vernon, Ohio 43050, along with a money order or check. Please make either of those payable to Student Protection Agency. The school will be notified as to who takes out coverage. You can call Student Protection Agency at 1-800-278-2544 for more information.

Sincerely,

Ben Porter
Superintendent
Union Local School District
