

Fourth Grade Snow Packet

In the event of having any more snow days, we have compiled some assignments to help keep your child stay on track upon returning back to school. Please complete one activity from each column for each day that school is cancelled. Your child will be expected to turn in the work on the day that he or she returns to school. For assignments that have an asterisk, simply sign off and date on the back of the sheet to prove that they have been completed.

Reading	Math	Writing	Spelling
DAILY Read 20 minutes. (You only have to sign the sheet for this activity.)	Practice basic 3 digit addition and subtraction problems ex. (564+456) (947-646) Five addition, Five subtraction on a sheet of paper.	Write about what you did today while you were off.	Write a story using 10 spelling words. Story must be at least 6-7 sentences long.
	*Practice Multiplication facts using flashcards.	If you could invent a new invention what would it be and why?	Write your spelling words 3x each.
	Practice basic 4 digit addition and subtraction problems. (ex. 4568+3241) (4434-3327)* Five addition, Five subtraction on a sheet of paper.	Describe what the weather is like outside. Include sounds, sights, and feelings.	Write your spelling words in ABC order.
	*Get on xtramath and do some lessons.	What is your favorite thing about today?	Draw a picture and include each spelling word in your picture.
	*Complete one I-ready math lesson.	Write a persuasive paragraph about whether snowdays are a good idea or a bad idea.	*Get on Wordly Wise 3000 (quizlet). Do some activities for the current lesson.
